FIELDEVAL

Call it before you look.

Photograph six things outside. Lock what you see. The model answers blind. Then we score it.

Saved on this phone. Only the shot being tested is sent, then discarded.

SCENE 2 OF 6

YOUR TASK

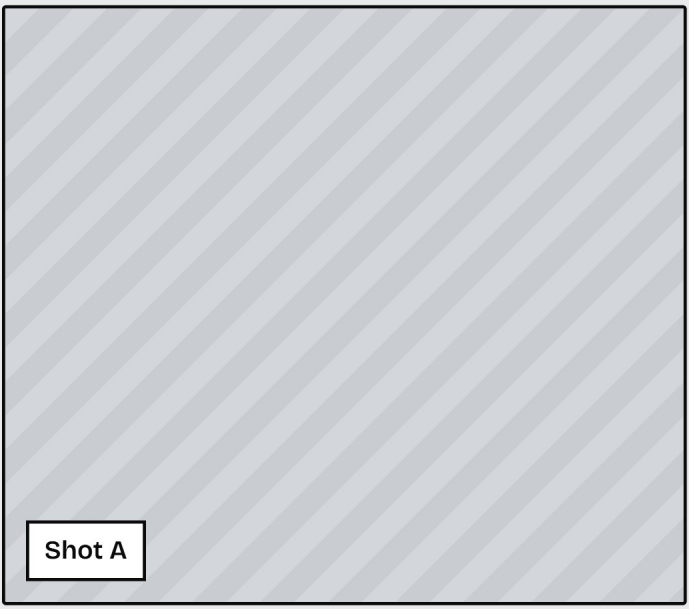

Find standing water.

Any puddle, bowl or fountain. Frame it so the surface fills most of the shot.

Question you will answer: **is the surface reflecting the sky?**

Open camera

SCENE 2 OF 6

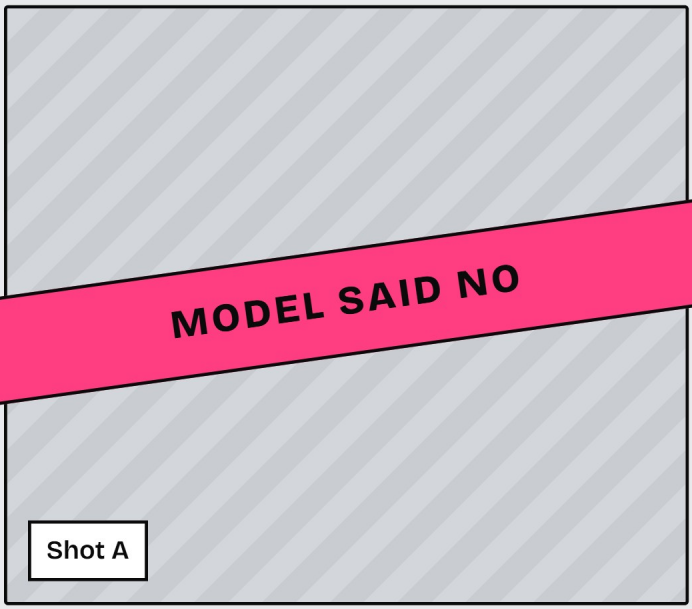

Is it reflecting the sky?

Yes | No | Unsure

You are locking **Yes**. You cannot change it after the model answers.
